Dear Pastor and Church:

It is with great pleasure that I write this recommendation letter for Brother Stephen Massie and the Discipled Veteran Ministry. I am a Gulf War era U.S. Air Force Security Police veteran now serving as a missionary to the U.S. military and U.S. military correctional facilities. I first met brother Massie several years ago while reporting to Bible Baptist Church in Beckley.

I wholeheartedly recommend Brother Massie and the Discipled Veteran Ministry without any reservation. As the Director of the Discipled Veteran ministry, he has organized and launched the work that God has given him including the development of doctrinally sound curriculum. Brother Massie is a diligent, passionate, driven, and knowledgeable man of God who has remained accountable and faithful to the Lord and his local church.

I have dealt with countless military members, military inmates, veterans, and their families. The destruction and consequences of sin is brutal, and like many in the world, these individuals know nothing of Our Savior. Once separated or retired from the military veterans often lose the sense of belonging. Veterans often become despondent, secluding themselves as outcasts, casualties of war, or see themselves as left in the battlefield because they see no brotherhood. YOUR Discipled Veteran ministry can reveal to veterans a new Commander, the Lord's Army, and HIS brotherhood!

Lives are literally at stake. Veterans and their families are in desperate need in every community across our nation! I urge you to seriously consider allowing Brother Massie to assist you and your local church in establishing your own Discipled Veteran ministry to reach veterans in your area.

In HIS Service,
